**Re: Request for extension of discovery
Tyler Erdman v. Adam Victor, et al., No. 20 Civ. 4162**

Dear Judge Gorenstein,

This letter is written to request an extension of the discovery deadline presently set for April 3, 2023, as well as the deadline for filing the letter required in the case management order, presently due April 10, 2023.

The privilege log was submitted to the Plaintiff today. Due to the fact he will need time to review the log, and its accompanying document production, we agreed to jointly request a four-week extension of the discovery deadline.

Yours faithfully
Polizzotto & Polizzotto, LLC

Emilio Rodriguez

PLEASE RESPOND TO BROOKLYN OFFICE

The discovery deadline is extended to May 3, 2023. The letter to Judge Schofield required by paragraph 13.b of Docket # 77 shall be filed by May 10, 2023. This is literally the third time Mr. Rodriguez has failed to comply with paragraph 1.E of the Court's Individual Practices despite being admonished to do so. (See Docket # 134, 155). To determine whether there is any point in once again admonishing Mr. Rodriguez on this failing, Mr. Rodriguez is directed to file a letter by April 11, 2023, explaining why he has violated the Court's Orders on this point and whether he intends to continuing violating those Orders.

So Ordered.
